

The LeaderShift!

Most of us talk about our jobs. We tell our family and friends interesting or funny things about—our bosses and colleagues and when we meet someone for the first time, we tell them what our jobs are. One meaning of the term “*shift*” is a period of time that is worked. However, in my word study of the term I found several other meaningful definitions of the word “*shift*.” When the Spirit of the Lord gave me the term “*shift*” I had no idea of the profound message that would be delivered through this simple term.

As a church and as members in the Body of Christ we are leaving an old season and shifting into a new season.

“Don’t Miss it: **SHIFT!**”

The Annual Conferences of Agape Christian Ministries

are in response to the Lord's command.

It is A Calling Together of the Lord's People. A "Holy Gathering."

These days are to be regarded as Sabbath Rest. A time of spiritual restoration. During this time, the participants lay aside all worldly involvement and focus spiritually on what the Lord has done for us. The Word of God is the central concentration of our gatherings. There will be seminars that will empower your spiritual life and walk. The saints fellowship, worship and enjoy a time of renewal without the concerns of daily life.

"And in the first day there shall be an holy Convocation, and in the seventh day there shall be an holy Convocation to you; no manner of work shall be done in them, save that which every man must eat, that only may be done of you (Exodus 12:15:16)."
