# **L1/107 Evangelizing**

**ACMI Ben Solomon Donelson Memorial Institute (SOM) School of Ministry**

**Course Lecturer: Bishop Lee Donelson Sr.**

**Founder of Agape Christian Ministries International**

### **About This Course**

---

This course provides the necessary essentials to mobilize and equip believers to fulfill the great challenge of the Great Commission of Jesus Christ. Most courses on evangelism focus only on the command to “go” into all the world with the Gospel. This course differs because it also focuses on what Jesus said to do “as you go” and the New Testament Church pattern of what to do “while you are there.”

### **Course Description**

---

The course is divided into three sections: Part One is entitled “Go.” It focuses on the mandate given by Jesus to preach the Gospel of the Kingdom of God to all creatures. Part Two is entitled “As you Go.” In the New Testament Gospels, Jesus never commissioned anyone to preach the Gospel without also commanding them to minister healing and deliverance. Part Three focuses on the pattern revealed by the New Testament Church of what to do “while you are there.” It proposes that evangelism is not complete unless a Church is planted among a group of new believers.

### **Course Objectives**
